

SHRI RAM
AWNING & TENSILE CO.
Serving Quality. Building Trust.

ABOUT US

Shri Ram Awning & Tensile Co., established in 2000 in Delhi, is a premier manufacturer and supplier of awnings, tensile structures, canopies, and retractable roof systems. Serving customers for the past 20 years, we have built a reputation for delivering advanced and reliable shading solutions. With its roots tracing back to 1995 as Gilotra Aluminium Company, founded by Mr. Durga Gilotra, the company evolved to meet the growing demand for modern and efficient roofing solutions.

We specialize in the design, manufacture, and installation of high-quality, durable, and aesthetically appealing shading systems for a variety of sectors—including residences, hotels, corporate offices, educational institutions, terraces, and commercial spaces. Our products are engineered for superior heat resistance, low maintenance, and long-term reliability, all backed by stringent quality checks at every stage.

With a customer-first approach, we have earned the trust of prestigious clients such as Tata, Jay Bharat Maruti Limited (JBM), ASN School, SRIMT College, Brahmaputra, Bhatnagar International School, Learner International School (Noida), Tivoli Garden, Romeo Lane, GMR Airport, and Hotel Taj (Dehradun). These partnerships underscore our unwavering commitment to excellence and innovation.

Under the leadership of Mr. Himanshu Gilotra, whose vision and expertise continue to strengthen our presence in the industry, Shri Ram Awning & Tensile Co. remains dedicated to providing cutting-edge, reliable, and elegant shading solutions that enhance spaces while ensuring customer satisfaction.

OUR SERVICE

Tensile Structures

- **Modern and lightweight roofing solutions designed with high-quality fabric and steel framework.**
- **Benefits: Stylish look, long-lasting durability, low maintenance, and cost-effective compared to traditional construction.**

Awnings

- **Elegant shade systems for windows, doors, balconies, and open spaces, protecting from sun and rain.**
- **Benefits: Energy saving (keeps indoor areas cooler), enhances aesthetics, and provides comfort in all weather.**

Retractable Roofs

- **Flexible roof systems that can open or close as needed, suitable for restaurants, gardens, terraces, and outdoor lounges.**
- **Benefits: Full control over space usage, all-weather protection, enhances customer experience, and adds premium value to the property.**

AWNING'S

The background of the image features three white umbrellas. One umbrella is in the foreground, slightly to the left, with its handle visible. Another umbrella is in the middle ground, and a third is in the background, slightly to the right. The umbrellas are open, and their canopies create a series of overlapping, curved shapes. The lighting is soft, creating subtle shadows and highlights on the fabric of the umbrellas. The overall color palette is a range of light greys and off-whites, giving it a clean, minimalist feel.
